**THE COMPLETE FLY FISHER & WORLDCAST ANGLERS  
PRESENT**

## *the Western Rivers Fly Fishing School*

a four-day program for anglers seeking to elevate their fly fishing skills to the next level. This program will benefit neophyte and expert anglers alike.

The Western Rivers Fly Fishing School is devoted to the art and science of fly fishing under the tutelage of master fly fishers. With a focus on hunting trophy-sized trout, the program will include instruction on entomology, ecology, casting, fly tying and reading water. In addition, the week will include instruction on navigating watercraft on rivers and boating safety. Think of this course as a Ph.D in the western tradition of fly fishing.

The Complete Fly Fisher lodge and cabins will host the School on the banks of the beautiful Big Hole River near Wise, Montana, 45 miles from Butte. The comfortable accommodations, five-star food, generous hospitality, and scenic river setting make this location the ideal headquarters for a fly-fishing school. Here anglers will have it all – superb setting, world-class instruction and spectacular fishing.
